

PRESS RELEASE:

TWSC Presents a FREE Performance!

The Woodlands Show Chorus presents their Friends and Family Send-Off Performance as they prepare for international competition! Director, Betty Clipman, suggests, “The community can be the first to hear our semi-final contest songs and finals package in a night of harmony and excitement.” The performance is in conjunction with their regular rehearsal and begins at 8:00 pm, Monday, September 30th at the First Presbyterian Church 2727 N Loop 336 W, Conroe 77304.

Betty encourages everyone to come, because “We need YOU in the audience to cheer us on to support us as we take the stage before heading to compete internationally. Your energy makes all the difference!” The chorus will compete as contestant number 17 in the Sweet Adelines International Convention and Competition to be held October 28 through November 3 in Kansas City, MO. Semi-finals are held on Thursday, October 31.

TWSC won the right to compete internationally by winning their regional (Region 10) competition in the spring of 2023. Great Gulf Coast Region 10 is a member of Sweet Adelines International, encompassing chapters in portions of Texas, Louisiana, Mississippi and Alabama. Sweet Adelines International is a highly respected worldwide organization of singers committed to advancing the musical art form of barbershop harmony through education, performance and competition. This independent, nonprofit music education association is one of the world’s largest singing organizations!

Sweet Adelines members can be found in quartets and choruses around the world. These ensembles sing exciting a cappella, four-part harmony music, barbershop style. The music includes special arrangements of today’s ballads, classic songs, popular show tunes and mainstream music. Members say that singing the powerfully balanced sounds of barbershop harmony provides a rich, rewarding experience that changes their lives and helps singers find their voices on the risers and in their everyday lives.

Sweet Adelines International strives to create a culture of belonging, to create harmony where every voice matters. The intention is to foster a culture that provides a joyful place to share each person’s uniqueness within a global community united in song.

The Woodlands Show Chorus is based in Conroe and proudly partners with the City of Conroe to foster the artistry of music throughout the community.
