

Kroger's Card

What a great way to get \$\$\$ support for our chorus without spending anything you weren't already going to spend! Kroger will donate 2% to 3% of all your Kroger purchases when you use/swipe your registered Kroger Card at checkout. You need to register your choice of non-profit organization to receive this donation every year during the month of August. But if you have not done this already, don't wait until August. Do it now and then do it again then.

If you use the Kroger App, the process is a little different and does not work quite right at this time. They will be debugging it shortly but to be safe, register online at their website. However if you forget you Kroger Card and you have the Kroger App loaded, you can have them scan the barcode on the "My Kroger Card" portion of the app found under "more".

If you have any questions about the program, please contact Michele Cherwenuk, Fundraising Manager or Linda Knight, Fundraising Coordinator.

Here are the instructions - they are attached below in PDF format:
